Emerson Stewart is a progressive and ASX listed group that provides **environmental**, engineering, **project delivery** and specialist **consulting** services to **bluechip** clients across the **resources, infrastructure** and **energy** sectors

## Senior Estimator

Due to expansion of the business Emerson Stewart is seeking to appoint a Senior Estimator to join its mining + industry team.

The primary function of the role is to independently apply estimating techniques and analysis for specific projects particularly in the mining and minerals industries. Responsibility will include planning and leading cost estimates for medium to large - sized projects and participate in the submission of major tenders by preparing project quantities and cost estimates.

To be successful in this role you will have 10+ years experience in a similar position and have an understanding of mining and mineral projects. As well as have relevant tertiary qualifications, excellent attention to detail and an ability to work in a dynamic, success driven team in order to deliver first class solutions to clients.

You must be Australian citizen or hold the correct visa to work in Australia to be considered for this role.

An attractive remuneration package will be offered. Please forward your Resume attention to Manager Team+ at [careers@emersonstewart.com](mailto:careers@emersonstewart.com). All applications will be treated 'in confidence' to protect the privacy of candidates.
